

Area/Property Preference Form

Please complete this form to help us to identify the type of property and location that you would prefer to be housed in. This does not mean that we can re-house you in the area or property type of your choice, but this information will show us where you are considering bidding for property and you will allow us to give advice and assistance. You can of course express an interest in any property in any part of Sefton, providing you meet the advertised criteria.
