

# Welcome to One Vision Housing

On behalf of the Board members and staff at One Vision Housing, I would like to welcome you to your One Vision Housing home.

We have produced this Handbook as a guide. It contains information about our organisation, the services provided and your rights and responsibilities as a tenant. We have tried to include as much information as possible, if you would like more details about any of our services please contact us.

The Handbook has been produced in this folder style to enable you to include any new or updated leaflets which we may send to you over time. This Handbook is intended for guidance only.

We hope you will find it useful and that you will be happy in your home and with One Vision Housing.
