

Have your say

Join a Service review group

Is there something about our service you would like to talk to us about?

It could be rents, anti-social behaviour, or even how you think our repairs and maintenance service is performing.

Whatever it is we could have a focus group that could be right for you!

For more information about our service specific focus groups please ask a member of staff, call us on **0300 365 1111**, or visit **www.ovh.org.uk**
